

20
24 Questions to ask your
Care team

These are questions you may want to ask
your care team about in your next consultation

QUESTIONS FOR YOUR Doctor

LIFESTYLE CHANGES

How can I change my lifestyle and diet in a way that will be healthy?
Is it safe to exercise if I have diabetes? Do I need to adapt my medicines if I exercise regularly?

VISITS WITH YOUR DOCTOR

How often should I consult with my doctor?

GLUCOSE MONITORING

- What are my goals regarding blood sugar levels?
- Should I check my blood sugar levels at home with a glucose monitor?
- What type of glucose monitor is best for me?
- What information does my testing pattern give me?
- How can I upload my glucometer results so that my doctor and care team can see the results to help me manage my blood sugar levels?
- Why do I need to test at these times? What are my targets? What are my goals for our next visit?
