Purpose of the form

This application form is to apply for pre-exposure prophylaxis (medicine to prevent or reduce the risk of HIV infection for individuals at high risk).

What you must do

- Fill in the form in black ink and print clearly or complete the form digitally. You can view the list of approved digital signature providers on www.discovery.co.za, under Medical Aid > Find documents and certificates > Application forms.
- All relevant sections must be signed. The patient must sign and date any changes.
- Please ensure the form is completed in full and signed by a healthcare professional.
- Please return the completed form to us by email to HIV_Diseasemanagement@discovery.co.za or post it to PO Box 536, Rivonia, 2128.
- There is overwhelming medical evidence that patients experience improved health outcomes when their primary care is coordinated through a single primary care GP. In line with this best practice, starting 1 January 2024, for members on all health plans except the Executive Plan, you and your dependants need to nominate a primary care GP for the effective management of your chronic conditions. If you are on any health plan except the Executive Plan, when you visit your nominated network GP for the management of your chronic condition, we'll cover the consultation at 100% of the Discovery Health Rate (DHR). If you see a GP who is not your nominated primary care GP, or your nominated GP is not a network GP, you will be responsible for any co-payments. You and your dependants can change your nomination three times every calendar year. Nominate your GP or manage your existing nomination on www.discovery.co.za > Medical aid > Nominate a primary Care GP.

Consent withdrawal for your Disease Management Benefits

Withdrawing consent for your general, personal, medical or clinical information to be accessed or shared with relevant third parties, means that you will no longer have access to funding from the applicable disease management benefits. Claims which would usually be funded from the disease management benefits will, once consent is withdrawn, be funded from other available benefits according to the rules of your plan. Should you wish to continue with the consent withdrawal process, then please email HIV_Diseasemanagement@discovery.co.za.
