HOW IT WORKS

Say goodbye to the hassle of traditional medical payments with Health Pay!

Here's how it works:

Visit any Health Pay-enabled provider and your medical scheme and Health Pay will automatically pay your medical expenses. That's right, no more waiting in queues or dealing with paperwork!

If your healthcare provider has a QR code on their invoice, simply scan it from your Discovery app.

We will automatically deduct the outstanding amount from your linked Discovery Bank account using Health Pay.

It's that easy! With Health Pay, you can spend less time worrying about medical payments and more time focusing on what really matters - your health.

EXPANDING THE HEALTH PAY NETWORK

Get ready to experience the convenience of Health Pay at a wider range of healthcare providers! Our network is constantly expanding to include:

- Over 6,500 GPs and primary care providers
- Pharmacies
- And many more ...

That's right, with Health Pay, you'll have access to hassle-free payment options at a wide variety of healthcare providers across South Africa. Say goodbye to the stress of medical payments and hello to peace of mind with Health Pay.
