- Get a booking reference number to use your Discovery Miles.
- To request the Discovery Miles redemption, get the Discovery Miles redemption application form from the Discovery Bank call centre by calling 0800 07 96 97. Follow the instructions detailed on the form and send it to dreamdestinations@discovery.co.za.
- The application form can be completed at any time from when the booking is made, provided that it is not completed 30 days after you receive your cash back for the booking.
- The total cash back you receive from redeeming your Discovery Miles combined with Vitality Money cash back cannot exceed the rand value of the booking.
- Discovery Miles are made at an exchange rate of 10 Discovery Miles to R1.
- The maximum number of Discovery Miles that can be redeemed against a single booking is 10 times the total value of the booking less any normal cash back already received.
- The minimum Discovery Miles redemption amount is 5 000 Discovery Miles per booking.

An example:

Celeste books a holiday to Mauritius with her travel professional. The holiday costs R25 000 of which R20 000 is the cost of the accommodation (R 5 000 consists of third party fees, additional extras, airfares, airport taxes and gratuities). Celeste pays the R25 000 with her Discovery Bank credit card.

Celeste also wants to redeem 250 000 Discovery Miles for additional cash back. Her cash back will be paid as follows:

Celeste books a holiday to Mauritius by contacting her travel professional and pays the total fee of R25 000 using her Discovery Bank credit card.	Total amount paid with Discovery Bank credit card: R25 000
World Leisure Holidays sends the invoice and all the details to Discovery for the discount to be calculated. The invoice shows the clear breakdown that R20 000 of the total booking was the base costs, and the remainder R5 000 was airfares, airport taxes and gratuities.	Qualifying spend to get cash back: R20 000
Celeste qualifies for 15% cash back	Qualifying cash back percentage 15%
Discovery Vitality calculates the cash back as 15% off the base cost of R20 000	Cash back due at 15% : R3 000
Celeste also has Discovery Miles and wants to redeem her Discovery Miles for additional cash back. She calls the Discovery Bank call centre on 0800 07 96 97 and gets the Discovery Miles redemption form from the call centre agents. Celeste decides to redeem 250 000 Discovery Miles, fills in the form, and sends it back to Vitality.	Discovery Miles redemption requested 250 000 Discovery Miles
Vitality calculates that the maximum Discovery Miles allowed to be redeemed on the booking is 220 000. This is calculated as: Total booking cost (R25 000) less cash back received (R3 000) multiplied by 10.	Allowable Discovery Miles redemption 220 000 Discovery Miles
Vitality, therefore, redeems the maximum allowable Discovery Miles of 220 000	220 000 Discovery Miles
Vitality redeems the Discovery Miles and pays Celeste an additional R22 000 in cash back	R22 000
The total cash back that Celeste receives is R25 000	Benefit cash back: R3 000 cash back
R3 000 (cash back) + R22 000 (Discovery Miles redeemed)	Plus Discovery Miles: R22 000
